

SPÉCS™

Surface Processes: Structure and Chemistry

Friday 19 January 2017

Burlington House, Royal Society of Chemistry

Registration opens at 11.45am; the meeting will close at
6.30pm.

Invited Speakers

Heike Arnolds

(University of Liverpool)

***Surface-Enhanced Raman Spectroscopy of
Molecular Electronic Junctions***

Matthew Blunt

(University College London)

2D Molecular Networks at Surfaces

Phil Woodruff

(University of Warwick)

Title: TBC

This half day symposium will consist of a combination of invited talks and oral/poster contributions from PhD students and PDRAs.

Lunch and refreshments will be provided.

Students and PDRAs wishing to present talks/posters should email solsurfgroup_rsc@yahoo.co.uk with a title and abstract by Friday 15 December, 2017.

Registration (£35) for the meeting must be confirmed by Thursday 21 December, 2017. Please email solsurfgroup_rsc@yahoo.co.uk to register.
